The Sworn Book of Honorius: Liber Iuratus Honorii Honorius of Thebes, Joseph H. Peterson

As the title testifies, students were sworn to secrecy before being given access to this magic text, and only a few manuscripts have survived. Bits of its teachings, such as the use of the magic whistle for summoning spirits, are alluded to in other texts. Another key element of its ritual, the elaborate "Seal of God," has been found in texts and amulets throughout Europe.

Interest in *The Sworn Book of Honorius* has grown in recent years, yet no modern translations have been attempted--until now.

Purporting to preserve the magic of Solomon in the face of intense persecution by religious authorities, this text includes one of the oldest and most detailed magic rituals. It contains a complete system of magic including how to attain the divine vision, communicate with holy angels, and control aerial, earthly, and infernal spirits for practical gain.

Largely ignored by historians until recently, this text is an important witness to the transmission of Kabbalah and Jewish mysticism to European Hermeticists.

You are thus out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

Roy Taylor:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Sworn Book of Honorius: Liber Iuratus Honorii can make you truly feel more interested to read.
