But despite all these influences he remained a true original perfecting his performances as an outreach of his personality. True, he had some strange traits, but they did not impede on his enthusiastic kindness to people he loved, to the musicians he accompanied, and to the many listeners he met. In the age of celebrity, he functioned as the complete entertainer. Lowell Tarling has provided Tiny with a living biography and given us a definitive incentive to re-listen to his recording and re-visit his numerous You Tube postings.
