Treat with Caution: A Sexy New Zealand Beach Romance (Treats to Tempt You Book 1) Serenity Woods

Tasha and Kole are confident their attraction is only physical. Both are going to get into trouble. But who will win the bet on Midsummer night?

Treats to Tempt You, Book 1.

An enemies-to-lovers sexy romance.

Tasha Wilde has spotted the perfect site for the Treats to Tempt You confectionery shop she's planning to run with her best friend, Maisey. It's the ideal size and location, right on the waterfront in Doubtless Bay. The only fly in the melted chocolate is Maisey's gorgeous brother, Kole. Tasha has a crush on him the size of New Zealand, but she'd never admit that to anyone – including herself. Then she discovers that Kole wants her shop for his photography business, and he's about to sign the lease.

Kole Graham has trod the wafer-thin line between friend and enemy with Tasha since they were teenagers. There's no way he's going to give up the site he's had his eye on for months, even though lately his thermostat's all over the place whenever she's around. Then their friends suggest a bet with the shop as the prize – a no-risk bet that means he can finally get his hands on Tasha. The Shakespearean-style scheme? To get the other person to fall in love with them. In eight days.

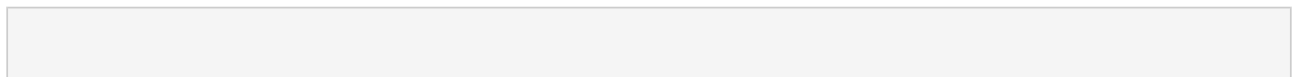

Both of them are confident their attraction is only physical. Both are going to get into trouble. But who will win the bet on Midsummer night?

Warning: Sultry and steamy, with rising temperatures. And the sub-tropical weather's pretty hot too.
