William Shakespeare

William Shakespeare Complete Works (Modern Library) William Shakespeare

FROM THE WORLD FAMOUS ROYAL SHAKESPEARE COMPANY, THE FIRST AUTHORITATIVE, MODERNIZED, AND CORRECTED EDITION OF SHAKESPEARE'S FIRST FOLIO IN THREE CENTURIES.

Skillfully assembled by Shakespeare's fellow actors in 1623, the First Folio was the original Complete Works. It is arguably the most important literary work in the English language. But starting with Nicholas Rowe in 1709 and continuing to the present day, Shakespeare editors have mixed Folio and Quarto texts, gradually corrupting the original Complete Works with errors and conflated textual variations.

Now Jonathan Bate and Eric Rasmussen, two of today's most accomplished Shakespearean scholars, have edited the First Folio as a complete book, resulting in a definitive Complete Works for the twenty-first century.

Combining innovative scholarship with brilliant commentary and textual analysis that emphasizes performance history and values, this landmark edition will be indispensable to students, theater professionals, and general readers alike.
