Washington, Deputy Director, W.K. Kellogg Foundation This is an outstanding work, one of the best I have read in the genre, and of possible use in the university, for public relations and organizational communication courses. The writing lessons are succinct, the methods to convey them effective, and the style itself an example of professional brilliance. I recommend 'Writing to Make a Difference' because I know that it will. -- Michael Bugeja, author, 'Interpersonal Divide: The Search for Community in a Technological Age' and Director, School of Journalism & Communication, Iowa State University Massachi's voice sounds real and helpful. She herself uses the kind of detail that gives ordinary writing the power to shift readers attitudes and beliefs. Her breadth of examples is remarkable-- learn how dozens of organizations like your own write stirring messages. She includes one of the best treatments I've seen of cross-cultural communication and how to recognize and avoid exclusionary language, plus a very helpful picky section covering exactly the editing errors people seem to make. Massachi says, Use words that your reader uses. Then she helps us see just who these readers are, what makes them tick, and what we need to say to them. I particularly loved the Ask Yourself questions that invite us to go deeper into what Massachi is teaching. --Louise Dunlap, Ph.D., writing coach, activist, and author, Undoing the Silence: Six Tools for Social Change Writing
