What would you do, if you could harness the power of Water?

Most books about magic give you instructions. Few of them tell you how to take components and make your own spells.

This one does.

Harnessing Water Magic will lay out exactly how to call the elements or bend them to your will.

This book is unique in that it will tell you the components you can use to create your own magic and call the elements in a way that is personal to you.

Viivi James will tell you which deities, and even pop culture icons, you can use to harness Water to create powerful magic and bend the world to your will.

If you want to connect with this element more deeply, this book is a must in your magical library.

You'll find the following topics in this in-depth book on paganism and witchcraft:

Plus, tips on how to make your own spells!
