Hostile Hospital John Avanzato

When former mob thug turned doctor, John Cesari, takes a job as a gastroenterologist at a small hospital in upstate New York, he assumes he's outrun his past and started life anew. But trouble has a way of finding the scrappy Bronx native.

Things go awry one night at a bar when he punches out an obnoxious drunk who won't leave his date alone. Unbeknownst to Dr. Cesari, that drunk is his date's stalker ex-boyfriend—and a crooked cop.

Over the course of several action packed days, Cesari uncovers the dirty little secrets of a small town hospital. As the bodies pile up, he is forced to confront his own bloody past.

Hostile Hospital is a fast paced journey that is not only entertaining but maintains an interesting view on the philosophy of healthcare. If you aren't too scared after reading, look out for the sequel, **Prescription for Disaster** coming soon.

From reader reviews:

Paulette Cantu:

A lot of people always spent their own free time to vacation or maybe go to the outside with their family or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you want to try to find a new activity that is look different you can read a book. It is really fun to suit your needs. If you enjoy the book which you read you can spent all day long to reading a guide. The book Hostile Hospital it doesn't matter what good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. In the event you did not have enough space bringing this book you can buy the e-book. You can m0ore effortlessly to read this book from a smart phone. The price is not too costly but this book offers high quality.

Regina Nichols:

People live in this new moment of lifestyle always aim to and must have the time or they will get wide range of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely without a doubt. People is human not only a robot. Then we request again, what kind of activity do you possess when the spare time coming to an individual of course your answer may unlimited right. Then ever try this one, reading guides. It can be your alternative inside spending your spare time, typically the book you have read is Hostile Hospital.

Jewell Brundage:

This Hostile Hospital is great publication for you because the content which can be full of information for you who always deal with world and have to make decision every minute. That book reveal it info accurately using great coordinate word or we can state no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with splendid delivering sentences. Having Hostile Hospital in your hand like keeping the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen minute right but this publication already do that. So , this can be good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Kathy Ahmed:

Is it an individual who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Hostile Hospital can be the solution, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?
