From Dr. Graham: "Simply Delicious Soups! I like soups, what can I say? Many of my favorite soups today remind me of the soups my mother used to make for me when I was a little boy. Minestrone, cream of tomato, pea, borscht, gazpacho, and mushroom soups were some of her regulars. When I first went raw, most of the soups I made were fruit soups: strawberry soup, watermelon soup and peach soup. Eventually I developed a desire for hearty vegetable soups as well, and have spent the last decade perfecting the recipes for a wider variety of such dishes. Soups make a great transition when served between fruit and salad courses. Raw soups can be enjoyed by anyone, even if they aren't devout raw foodists. I hope you will enjoy making all of the soups in this volume of 'Simply Delicious 80/10/10 Raw Food Recipes', and will continue customizing them until they perfectly fit your taste desires."
