The Dumbest Idea Ever! Jimmy Gownley

Jimmy Gownley's graphic novel memoir about the "dumb" idea that changed his life forever!

What if the dumbest idea ever turned your life upside down?

At thirteen, Jimmy was popular, at the top of his class, and the leading scorer on his basketball team. But all that changed when chicken pox forced him to miss the championship game. Things went from bad to worse when he got pneumonia and missed even more school. Before Jimmy knew it, his grades were sinking and nothing seemed to be going right.

How did Jimmy turn things around, get back on top at school, and land a date with the cutest girl in class?

Renowned comics creator Jimmy Gownley shares his adventures as he grows from an eager-to-please boy into a teenage comic book artist. This is the real-life story of how the DUMBEST idea ever became the BEST thing that ever happened to him.

This book can be one of one step for you to get success. This reserve offer you information that maybe your friend doesn't realize, by knowing more than different make you to be great persons. So , why hesitate? We need to have The Dumbest Idea Ever!.

Henry Stanton:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Dumbest Idea Ever! can make you sense more interested to read.
