Selected excerpts below. Buy them together and save over 66% off the combined price!

=====

About the Quicklet on The Sun Also Rises:

Released by American publishing house Scribner's, the first edition of "The Sun Also Rises" consisted of just over 5,000 copies in 1926. Due to its huge popularity in the United States, it was published again in Britain in 1927 under the title "Fiesta." Written when Hemingway was 26, the work launched the author squarely onto the map of great American writers and inspired countless readers who imitated its iconic characters.

Today the book is one of the most constantly printed American novels in history and has been translated into several languages, including Spanish, German, Portuguese, Japanese and Chinese. It's been adapted numerous times for the screen and stage, including the well-known 1957 film starring Tyrone Power and Eva Gardner and most recently as a production called "The Select" at the New York Theater Workshop.

=====

An excerpt from the Quicklet on For Whom The Bell Tolls:

The next day, low flying enemy planes are seen. Determined to carry on, Robert Jordan goes with Pilar and Maria to meet the leader of another rebel band nearby. On the way, Pilar shares stories of the violent beginnings of the revolution. The other leader, El Sordo, agrees to assist Robert Jordan with the bridge. On the return trip, Pilar leaves Robert Jordan and Maria and they again make love. Both claim to have felt the earth move.

The next day El Sordos group is killed by fascists. With their numbers cut in half, Robert Jordan sends a message to Golz to call off the attack.

A snow storm begins and the rebels must stay in the cave. There are some tense words between Robert Jordan and Pablo, and Robert Jordan even considers killing Pablo. Pablo manages to convince everyone he is on their side. When the snow ends, Robert Jordan goes back outside to sleep and Maria follows him.

The next day, Robert Jordan awakes to the sound of an approaching cavalryman. He kills him and the others scramble to ready for a possible attack. They hear the sounds of an emerging battle over at El Sordos hill. They listen as their allies are killed, unable to come to their aid without giving away their position...

=====

Excerpt from the Quicklet on A Moveable Feast:

A Moveable Feast is an episodic book, with short chapters devoted to various people, themes, and locations important to Hemingway during the period he and Hadley lived in Paris from 1921 to 1926.

The book is roughly chronological, beginning when Hemingway and Hadley first arrive in Paris and ending when Hemingway has an affair and their marriage begins to fall apart.

The book's first chapter is called "A Good Café on the Place St.-Michel," and it gives readers a first glimpse into the world that Hemingway inhabits. He describes how he's writing about Michigan and his boyhood while being in the café, and the perspective he has in this opening scene encapsulates the expatriate perspective he has throughout the book:

"I was writing about up in Michigan and since it was a wild, cold blowing day it was that sort of day in the story.
