Conducting the Oracle Job Interview: IT Manager Guide for Oracle Job Interviews with Oracle Interview Questions (IT Job Interview series) Mike Ault

IT managers will be able to quickly assess the technical ability of any Oracle job candidate using these Oracle job interview questions that are not available to the general public. The personality and background characteristics of successful Oracle professionals are listed, and tips for identifying candidates with the right demeanor are presented. Also provided are methods for evaluating academic and work history and oral interview questions for Oracle database administrators, developers, and Oracle analysts. Techniques for quickly scanning resumes for pertinent information are also given.
