## **Efimera. Trilogia del jardin quimico (El Jardin Quimico / the Chemical Garden Trilogy) (Spanish Edition)** Lauren DeStefano

En un futuro cercano, todos los recién nacidos llevan incorporada una bomba de tiempo genética. Los varones viven hasta los 25 años, y las mujeres, que mueren a los 20, son secuestradas y forzadas a contraer matrimonios polígamos para evitar que la humanidad entera desaparezca de la faz de la Tierra. Cuando secuestran a Rhine, una joven de 16 años, para venderla como esposa de un hombre adinerado, le espera un mundo de privilegios. Su joven marido, Linden, la ama igual que a sus otras esposas, pero Rhine solo desea escapar, aunque deberá enfrentarse a su excéntrico suegro, quien no cesará en encontrar un antídoto para el virus que amenaza la vida de su hijo, aunque para ello deba dejar varios cadáveres en su camino. Con Efimera, la joven autora Lauren DeStefano inicia su fascinante Trilogía del Jardín Químico, y de la mano de una heroína de nuestros tiempos, nos lleva a un viaje de aventura y romance en un mundo a punto de extinguirse. / A perfect race has left all males with a lifespan of 25 years, and females with 20. Rhine is kidnapped and sold as a bride. Her husband is in love with her. Her father-in-law, an eccentric doctor, to find the antidote is hoarding corpses in the basement. Rhine wants to let her twin brother know that she is safe and alive. Will Rhine escape before her time runs out?
