What I Thought Was True Huntley Fitzpatrick

The eagerly anticipated follow-up to *My Life Next Door* is a magnetic, push-me-pull-me summer romance for fans of Sarah Dessen and Jenny Han.

Gwen Castle's Biggest Mistake Ever, Cassidy Somers, is slumming it as a yard boy on her idyllic Nantucket-esque island this summer. He's a rich kid from across the bridge in Stony Bay, and she hails from a family of fishermen and housecleaners who keep the island's summer people happy. Gwen worries a life of cleaning houses will be her fate too, but just when it looks like she'll never escape her past--or the island--Gwen's dad gives her some shocking advice. Sparks fly and secret histories unspool as Gwen spends a gorgeous, restless summer struggling to resolve what she thought was true--about the place she lives, the people she loves, and even herself--with what really is.

Huntley Fitzpatrick delivers another enticing summer listen full of expectation and regret, humor and hard questions, and a romance that will make every listener swoon.
